FORMAT

Following their scheduled warm-up, choirs perform selections of their own choice. Performances should take up not more than half of the allotted time (see below). It is recommended that Early Years choirs sing 2-3 songs; all others sing 3 songs. After performing, choirs are provided with an onstage adjudication. At this time, a keepsake photograph is taken by a professional photographer. This is followed by a clinic with a second adjudicator or clinician in another location.

Two original copies of each piece must be provided to the registration desk upon arrival. Unauthorized photocopies will not be accepted.

Risers (3 steps, 4 rows) will be supplied.

Photos will be printed on-site and available immediately after each choir's clinic. Please have your order forms and payment ready.
