

Interlake Choral Association

HELP!

To help us achieve our goals of communication and community in the Interlake Choral Region *we need to know who you are!*

We are compiling a directory of choirs and conductors in the Interlake Region so that we can better facilitate events and provide better service to our choirs.

Please take the time to let us know the following information. If you know of any organizations in your community, please pass this information along so that they can contact us as well.

Either return the portion below to Kendra Obach, Box 4480, Stonewall R0C 2Z0 or e-mail klobach@gmail.com.
